

Egg Sucking Leech  
Submitted by Tom Herr

Tying Materials Listed in the Order Used

Hook: straight eye streamer hook 3 XL sizes 6-8

Thread: red

Tail: marabou (usually purple or black)

Body: fine chenille (same color as tail)

Rib: silver holographic tinsel

Hackle: saddle hackle (same color as body)

Head: fine pink chenille (chartreuse and orange are also good colors)

Comments: fish unweighted with sinking line, wrap lead on hook shank if fishing with floating line. Swing it in long runs and tailouts of pools or fish it dead drift in the same water. Fish in current that's walking speed.

Species caught: steelhead
