

Steelhead Swinger
Submitted by Tom Herr

Tying Materials Listed in Order Used

Hook: upturned eye salmon hook size 6-8

Thread: red

Tail: black marabou

Butt: oval gold tinsel/red thread/oval gold tinsel

Body: 4 strands of peacock herl

Shoulder: black soft hackle

Comments: fish unweighted with sinking line, wrap lead on hook shank if fishing with floating line. Swing it in long runs and tailouts of pools. Fish in current that's walking speed.

Species caught: steelhead, largemouth bass
