Show Headliners

Ed Engle lives in Colorado, where he guides and instructs fly fishers on the South Platte River, where catching trout requires small flies and good presentations. He is the author of numerous books on tying flies, fishing tail waters, and the nostalgic romance of fishing bamboo. His book *Tying Small Flies* belongs on the tying bench of every fly fisher. His presentations at the show will feature his proven methods that catch fish.

Mike Schmidt is a full time commercial fly tier for his company, Anglers Choice Flies, based in New Smyrna Beach, FL. Throughout the year he teaches fly tying and fishing techniques at clubs and retail locations throughout the U.S. and Europe, and spends the winter months travelling to tie and present at fly fishing shows. Mike is an Orvis Signature Tier and on the pro staffs for Regal Engineering, Clutch Tactical Fly Rods, Vedavoo, and SmithFly.

Ray Schmidt and his wife, **Kate Smith**, are owners of Double SS Outdoors in Bear Lake, Michigan, consultants to the fly fishing and world-wide outdoor travel industry. He retired as owner of Schmidt Outfitters, a full-service fly fishing outfitter in Wellston, MI, after 37 years. He and Kate joined Temple Fork Outfitters in 2013 as sales and marketing representative in the Great Lakes region.

Brown Hobson started fly fishing as a teenager in North Carolina before moving to Jackson Hole, WY, for 4 years. After returning to NC, he started Brown Trout Fly Fishing in Asheville as owner and head guide. Brown is a member of the North Carolina Fly Fishing Team, Fly Fishing Team USA, a former Orvis Trout Bum of the Week, and a 2014 Orvis Guide of the Year nominee.

Glenn Weisner, of Sylvania, Ohio, is a world-class fly tier and owner of Glenn River Fly Co., and has been tying flies since 7th grade. He is a tireless fisherman and can often be found fishing for trout on the streams of Pennsylvania, Wisconsin, Ohio, and Michigan. He enjoys tying most all trout flies, especially terrestrials.
